The Ambrose section is open to everyone regardless if you have a handicap or not. 4 person teams. Official handicaps will apply where applicable and max of 24 for non handicap players. Total team handicaps will be divided by 8.
One payment per team please.
Rules: 4 drives each minimum. The player whose ball is selected as the one the team will play then stands down for the next shot and so on until the ball is on the green. So apart from the tee shot only 3 players hit from each location until the ball is on the green. All 4 players can putt.
This helps with the speed of play and also means all players get to participate and contribute to the team score.
